

Welcome back to another bowling season, we hope everyone had an enjoyable and safe summer.

This year there are changes being made to the way some things are done. Membership will have a new three tiered system, one for those wishing to bowl in tournaments, one for those who would just like to bowl and be eligible for the Awards Program and one for our Senior and Special Olympic Ontario League's. Please see your league secretary for more information.

We would like to welcome two new members to the Board of Directors, Mary Rasmussen and Fraser Clark. We know they will give their all and contribute greatly to our programs. For a full listing of Directors, please see "About Us" on the home page.

The York Simcoe website will again be used as a major source of information. It will contain a full list of our sponsors which we encourage you to use, all the tournament information, dates, times and locations, as well as final tournament standings and photos of the winners. You can find out about upcoming events, see who is in our Hall of Fame, contact us with your input, find other bowling links, find yourself or someone else in the "Average Book". There is also a section for your league standings to be posted and see how others are doing in the Zone. For more information on this, please contact John Cresswell at johnc@trgtech.com.

We encourage any member to attend our monthly General Meetings. The meetings are the first Monday of each month and start at 7:30 and last about an hour to an hour and a half. The first one will take place September 8, 2008 at the Newmarket Recreation Complex.

We hope you enjoy your bowling season and please feel free to contact any Board of Director if you have any questions or concerns.
